06/2007-06/2009 Team leader of the study group of the Austrian Society of Cardiology

### Current Position:

Since 19<sup>th</sup> Nov 2003 Senior physician, Elisabethinen Hospital Linz, Austria  
Currently Head of Reference Centre pulmonary hypertension  
Since 06/2009 proxy team leader of the study group of the Austrian Society of Cardiology

My present work at the hospital focuses on echocardiography, cardiac catheterization and coronary arteriography, magnetic resonance imaging of the heart, CT-angiography of the heart, 24h- ambulatory blood pressure-monitoring, EKG-holter-monitoring, exercise-testing and non invasive angiological diagnosis. Furthermore I work a lot with patients who suffer from heart failure and patients with PA-hypertension.

### ICH-GCP-Training
